MONDAY EVENING, MARCH 1, 1909.

Local Matters.

Sun and Tide Table.

Sun rises tomorrow at 6:34 and sets at 5:52. High water at 3:32 a. m. and 3:55 p. m.

Weather Probabilities.

For this section fair and warmer tonight with minimum temperature about 35 degrees; showers Tuesday; light southerly winds, increasing Tuesday.

ON FULL TIME.

The employees of the Southern Railway have been placed on full working time, under an agreement made between the Southern officials at Washington and the men in the service of the entire system. Not only have the working hours been increased from eight to nine per day, but it is stated that the force will be increased this week by about 33 per cent. All shops on the system have been running on short time since they were closed March 10, 1908. Many of the old employees are returning to their former positions. Notices announcing the change were posted in the shops at Alexandria last week.

A. L. I.

The Alexandria Light Infantry will hold their last drill tonight at the Armory preparatory to taking part in the inaugural parade. Eight companies of the First Regiment of Virginia Infantry, of which the Light Infantry is a part, under command of Major James E. King, and the Richmond Light Infantry Blues Battalion, will represent Virginia in the parade. Farmville Guards and Washington Guards, of Fredericksburg, Companies I and L First Regiment, will be quartered in Armory Hall, on the night of March 3rd, which will close the skating rink on that night.

DEATH OF MISS RIXEY.

Miss Henriette Rixey, sister of Surgeon General Rixey, U. S. A. and of Mr. C. J. Rixey, and the late Hon. J. F. Rixey, died at 9 o'clock last night at the residence of her brother, 1518 K street, northwest Washington, where she had been living for a long time. Miss Rixey, who was about forty years of age, had been ill for several months, but it was only in the last few weeks that her condition was considered dangerous. Early yesterday morning her vitality was very low, and her relatives and friends realized death was near.

CASE CONTINUED.

Norman Dye, a former employee of the Washington, Alexandria and Mount Vernon Railway Company, was arrested at his home in Fairfax county yesterday by Officer G. Grey on a warrant charging him with the larceny of a diamond pin, valued at \$100, from Charles Simpson, a conductor on the Mount Vernon line. The pin was recovered after having, it is said, been pawned. The case was called in the Police Court this morning, but was continued until tomorrow.

PYTHIANS EXPECT VISITORS.

Past Chancellor Ernest R. Boyer has received a letter from Past Grand Chancellor Dr. George F. Day, of the Knights of Pythias, of Washington, D. C., announcing that a delegation from the Washington lodges will be present at the meeting of Oriental Lodge, No. 6, tomorrow night. At this meeting the ranks of Page and Esquire will be conferred upon two candidates. The committee on good of the order has a surprise in store for the members.

SENT TO JAIL.

A white man, a 30 offender, was arrested yesterday by Officer Rawlett on the charge of drunken and disorderly conduct. Having been asked in the Police Court this morning where he procured his liquor, as it is now a misdemeanor to furnish those who tarry too long with the wine with stimulants, the prisoner told the court that a soldier gave him a quart of corn whiskey all of which he swallowed. Justice Catron sent the accused to jail for ten days.

CIRCUIT COURT FOR THE CITY.

[Judge J. B. T. Thornton, presiding.] The docket called and the following cases disposed of:

Bessie Bowler vs. Annie E. Cranford, in chancery; decree confirming report of Gardner L. Bothe.

Wm. N. Amory vs. Washington Steamboat Co., Ltd.; in chancery; final decree.

The court adjourned until tomorrow morning.

CHARGED WITH ASSAULT.

John Ray, living near Arlington, Alexandria county, has been arrested in Washington on charge with attempting to assault the nine-year-old daughter of Charles Green. An application for a writ of habeas corpus has been made by Commonwealth's Attorney Randall Mackey and Ray will be brought to Alexandria county for trial. Ray's victim is said to be in a critical condition.

BIDS PRESIDENT GOODBYE.

Mr. James Roche, of this city, called upon President Roosevelt in the executive offices of the White House at noon last Saturday for the purpose of bidding him adieu. Mr. Roche said "God bless you and goodbye" to the retiring executive. The president gave his visitor a warm hand shake and expressed delight at meeting him.

DIED FROM CUTTING A CORN.

Following the amputation of his right leg above the knee Mr. Thomas Toms, fifty-four years old, died yesterday morning at his home, 215 south Fayette street. His body was sent to his former home, Coveville, for burial. The death of Mr. Toms was caused by gangrene which followed the cutting of a corn.

W. C. T. U.

The Allison W. C. T. U. will meet next Wednesday at the Children's Home on Duke street instead of Thursday on account of the inauguration being on Thursday.

U. D. C.

The regular monthly meeting of the Mary Cassie Lee Chapter will be held in the Confederate Veterans' Building, tomorrow, Tuesday, afternoon, at three o'clock. Members are requested to be present.

SENT TO THE GRAND JURY.

Floyd Galloway, colored, was arrested by Officer R. Land yesterday for an assault on George Marshall, colored, with a razor, Saturday night. Marshall received a gash along the left side of his face that required 14 stitches. He was treated at the Alexandria Hospital. The trouble started in a saloon in the southeastern section of the city. The case was called in the Police Court this morning, when Galloway said he used a knife on Marshall. The accused was sent on to the grand jury.

Abe Douglass, colored, who was arrested on the 15th ultimo charged with cutting Isaac Hackley, also colored, was brought before the Police Court this morning. The details of the cutting were published in the Gazette at the time. The trouble was precipitated by a colored child, who placed a valentine under the door of the residence of Isaac Hackley. The latter assaulted the sender of the missive when Douglass's wife became engaged in a row with the Hackley woman. The latter's son appeared on the scene and, according to the evidence, his father also, Douglass, who was engaged in shaving a colored man at the time, ran to the rescue of his wife, when a general fight followed, during which Douglass slipped and fell and, as he asserts, the three Hackleys were assaulting him when the razor was used, although Douglass maintained he had no recollection of wielding it. Justice Catron sent Douglass on to the grand jury. He gave bond for his appearance. Mary Douglass, his wife, was fined \$20 for the part she played in the disturbance. The accused was represented by Mr. S. P. Fisher, and Hackley by Mr. Robinson Moncre. Sarah Hackley, it will be remembered, died a few days after the disturbance, and Mary Douglass, who was charged with assaulting her, was taken in custody. A coroner's jury later decided that her death resulted from natural causes, and not from injuries received in the fight.

POLICE COURT.

[Justice H. B. Catron presiding.] The following cases were disposed of this morning:

Simon Johnson, colored, charged with drunken and disorderly conduct, was fined \$5.

Floyd Galloway, colored, charged with cutting George Marshall, also colored, was sent on to the grand jury.

William Williams, colored, charged with assaulting Jackson Landrum, also colored, was fined \$5.

Mat. Williams, charged with drunken and disorderly conduct, was sent to jail for ten days.

Joseph Gaskins, colored, charged with disorderly conduct and fighting, forfeited his collateral by failing to appear.

Norman Dye, charged with stealing a diamond pin from Charles Simpson, had his case continued until tomorrow.

Abe Douglass, colored, charged with cutting Isaac Hackley, also colored, was sent on to the grand jury.

Mary Douglass, colored, charged with assault, was fined \$10.

FUNERALS.

The funeral of the late Mrs. Ruth Bryant Brown, wife of Lieut. Wilson Brown, U. S. N., whose death occurred at the Alexandria Hospital Saturday afternoon, will take place from the residence of her father, Capt. Herbert Bryant, 306 north Washington street, at 11 o'clock tomorrow morning. Services will be conducted in St. Paul's Church, by Rev. P. P. Phillips, the rector, and the interment will be in Ivy Hill Cemetery. The pallbearers will be Dr. Louis S. Greene and Messrs. Fairfax Leary, Taylor Burke, O. W. Wattle, E. P. Hunter and A. Herbert, Jr.

The funeral of Joseph Minette Evans, the young son of Mr. and Mrs. George Hewett Evans, whose death occurred Saturday morning, took place from the home, 314 south St. Asaph street this afternoon. Rev. P. P. Phillips, rector of St. Paul's Church, conducted the services. The interment was made in the Presbyterian Cemetery.

TREMENDOUS RUSH.

Nothing more than was expected occurred at the Alexandria Amusement Company on Saturday night on the occasion of the presentation of that thrilling picture "In the Shenandoah Valley." The house was packed. But as good as was the crowd and love story shown on canvas it is only in line with their usual exhibits. Tonight the people will be amused at this house with the "Manhattan Minstrels," one of the most popular motion pictures exhibited today in the land. If you want a real hearty laugh come out and see this. But if you like something else better they will have "Down in Jungle Land" in talking pictures and a fine set of silent ones.

STORMY WEATHER FOR THE FOURTH.

This may occur, but from present indications it looks as if we will have a fine week. The Elite Picture Company will present this week, commencing tonight, a big show. The special picture will be "The Virginian," James Sheridan Knowles' Roman tragedy. This is a beautiful drama and the first time shown. There will be other subjects of which we mention "In the Days of Louis XVI" and "The Avaricious Father." The Elite Company spares no expense in trying to get the best pictures made for the people of Alexandria. Tonight Bill Rogers, black face artist, in singing and talking, will be on hand.

BROTHERHOOD SERVICES.

The first of the special test services under the auspices of the Junior Brotherhood of St. Andrew will be held in St. Paul's Church tomorrow night. The sermon will be by Rev. Dr. Arthur B. Kinsolving, rector of St. Paul's, Baltimore. Dr. Kinsolving is widely known as one of the ablest preachers in the Episcopal Church. The music will be by the Brotherhood boys assisted by the Chapter of Praise and the offertory will be sung by Mrs. Woolfs.

SPECIAL MEETING.

A meeting of the ladies who assisted in the Masonic fair will be held in the lodge in the Masonic Temple and not in the Alexandria National Bank Building tonight at 8 o'clock. It is the desire of the chairman that there be a full attendance of those interested.

TO ECLIPSE ALL OTHERS.

This week at the Opera House promises to eclipse as the management has secured the best features in vaudeville possible to obtain in the country. One could hardly attend the show tonight without notifying his brothers, sisters, cousins and aunts of its remarkable worth. The pictures, too, are above the average and will entertain the most fastidious. For the edification and amusement of the patrons of the house, but at great expense they will be presented tonight and Tuesday and Wednesday the most clever artists, one of whom is Miss Frances Folsa, conceded to be the greatest female juggler and specialty artist in vaudeville.
